## What they're saying about us...

*"I just wanted to take a minute to thank you and all of the folks at Zion Ponderosa for the FABULOUS time we had during our stay. The accommodations were perfect and met our every need...the real surprise of our stay was the warm and thoughtful approach of the staff. Right from the guides, group activity coordinator...to the (most important in my book) cooking staff, we couldn't have hoped to be treated better."* - Gaye - Las Vegas, NV

## What they're saying about us...

*"Zion Ponderosa and the staff allowed us to focus entirely on the task at hand, have the opportunity for outdoor activities and inspiration, and attend to all of our needs. The food was truly outstanding, the attention to detail unmatched, and the support of the staff tremendous. The lodges we utilized were full of character and a sense of home, the outdoor environment and proximity to Zion National Park afforded a balance of comfort and peace, and the opportunity to focus on our studies. As a result, all participants were deeply satisfied."*

*The experience was absolutely flawless!"*

## What they're saying about us...

*"We travel with 6<sup>th</sup> graders every year. This year we brought them to Zion to study geology and American History. The scenery here is the most beautiful of all of the places we have ever been."*
