## What they're saying about us...

*"I just wanted to take a minute to thank you and all of the folks at Zion Ponderosa for the FABULOUS time we had during our stay. The accommodations were perfect and met our every need...the real surprise of our stay was the warm and thoughtful approach of the staff. Right from the guides, group activity coordinator...to the (most important in my book) cooking staff, we couldn't have hoped to be treated better. All were friendly and professional. I especially appreciated the suggestions of activities that we had not originally planned... My group left with plans to come back ...Will you express my "thanks" to all." - Gaye - Las Vegas, NV*

## What they're saying about us...

*“Zion Ponderosa was a superb destination for a retreat. Our retreat was to organize the development of a book project. Zion Ponderosa and the staff allowed us to focus entirely on the task at hand, have the opportunity for outdoor activities and inspiration, and attend to all of our needs for success. The food was truly outstanding, the attention to detail unmatched, and the support of the staff tremendous. We valued where we were as well. The lodges we utilized were full of character and a sense of home, the outdoor environment and proximity to Zion National Park afforded a balance of comfort and peace, and the opportunity to focus on our work. As a result, all participants were deeply satisfied, the book project is off and running, and we hope to return! The experience was absolutely flawless!”*

## What they're saying about us...

*"We at Lifetime would like to express how ecstatic we were to have our annual sales & marketing conference at the Zion Ponderosa Ranch & Resort. The service we received in our planning and throughout the conference, the food, the activities and the beautiful accommodations were nothing short of incredible - it was just a great time by all of our colleagues. We have been other places for this particular event, but after our conference at your resort, we certainly think the bar has been raised. Thank you to all of your staff. You will certainly be highly recommended by all who were in attendance at our conference. Thank you again. We would gladly answer any questions that future Ponderosa visitors may have."*
