Our Ranch

RAY AND RUTH LEWIS

Story

In 1962, on a pleasant summer day, not far from this very spot, the course of our family's life changed forever. For years, Ray Lewis dreamed of owning a ranch similar to the one he grew up on in the High Uintas as a child.

Ray's dream came to life in 1962 when he purchased 8,000 acres of land on the East Rim of Zion National Park. Ray's daughter, Rosie, and son in law, Gary were visiting the Lewis' in Los Angeles when Gary spotted an ad for 'high desert land, covered with Ponderosa Pine, Utah Juniper, and Manzanita.' Within a couple hours the entire family was headed out to Utah to visit Zion national park and within twenty-four hours Ray was the proud owner of 8,000 acres of beautiful Utah mountainside.

Ray imagined a land filled with family and friends gathered together creating memories and building lasting relationships. That first fall, Ray and his family held a feast to kick off the annual deer hunt in October.

Ray's legacy lives on through each of us here today.

RAY BELIEVED THAT GREAT HOME-COOKED FOOD COULD BRING PEOPLE TOGETHER.

Zion Ponderosa Ranch continues to offer families and friends a beautiful destination to gather and create lasting memories. We serve family favorite recipes made with fresh local ingredients.

So pull up a chair, kick back and relax, and enjoy some great home cooked country goodness.
