Rustic Barn Venue

Our venue is the perfect space for your rustic Zion destination wedding. This barn has beautiful scenery and is located only 10 minutes from the east entrance of Zion National Park, and 5 minutes from Zion Ponderosa Ranch Resort.

Venue Rental Information

PRICING AND DETAILS

When booking our wedding venue, you must rent the space for the entire day. This is so you get the venue from sun up to sun down for set up and clean up.

We know weddings can be a production. When you rent out our venue space, that is all that will be provided. The client will be responsible for any other details of the wedding including catering, decor, set up/take down, etc. A local vendor list is provided below. You are welcome to contact any of those vendors, but those services will not include Zion Ponderosa.

Venue Policies

General Resort Policies

1. Quiet hours on property begin at 10:30pm sharp. All music and loud activity should cease by 10:30pm.
2. Guest are able to use the fire pit, but it must be attended to at all times and put out properly.
3. Parking for events is limited. If guests are able to ride together, it would be very helpful.
4. There is no running water inside the barn
5. This venue space is not wheel chair accessible. The space is in the upstairs level of a 2 story barn
6. There are no bathrooms inside the barn. There is a separate bathroom facility about 15 yards from the barn. They do have running water and plumbing. If you book during winter months, running water in the restrooms may be turned off due to pipes freezing.
7. Any alcohol questions or requests must be done through your catering company.
8. There is a small refrigerator you will have access to, but not any type of kitchen.
9. There is no heating or air conditioning in the barn. During shoulder season, you are able to rent propane heaters through Zion Mountain Ranch. (Their contact information is listed on the local vendors page).

Venue Rental Policies

1. Clients are in charge of all trash and trash pick up. Whether it be the client themselves, or done through your catering company.
2. All Set up/take down of the event will be the responsibility of the client. The barn should look the same when departing as it did upon arrival. There are dumpsters just down the road from the venue space.
3. All items that the event brings in that are not picked up post event will be considered trash.
4. Any excessive damage to the venue itself beyond regular wear and tear caused by the group will have a damage fee of a minimum of \$100.
5. Any affiliation with local vendors will have to correlation to Zion Ponderosa. All communication, billing, delivery, etc must be done directly through that company.
6. Candles are permitted at venues but must be inside of a container, ex- vase or votive holder.
