About the Photographer - Jeff Poe

Jeff is a fine art and commercial photographer currently based out of Boise, ID. He's traveled extensively throughout Utah and the Southwest and first came to Zion Ponderosa on assignment for a commercial photography shoot.

He was so impressed with the private slot canyons at Zion Ponderosa, that he knew a more intimate experience had to be created.

"The slot canyons within Zion Ponderosa rival the beauty of Antelope Canyon, but the solitude and experience are unmatched by any others in the Southwest."

~Jeff Poe

Jeff has his work on walls in private collections around the U.S. and internationally. His images have been featured in galleries around CA, ID, and Utah. He leads photo adventure tours, and teaches sales, marketing, and fine art print instruction to emerging photographers.
